

CREATING CRYSTAL ACCESS POINT

Dig the hole in which you will bury the crystal before you start to cast the circle.

Begin by casting a Circle. Since you will be out of doors and may not be burying your crystal in a private place, you may want it to be a very simple Circle: you can do it entirely in your head, imagining the Circle around you, then silently calling the Quarters and imagining Them as pillars of white light. You may invoke Goddess and God silently.

Of course if you are in a more private place, or are comfortable being observed casting a Circle, you may do the Circle as elaborately as you choose.

Hold your crystal. Above the crystal imagine a three dimensional triangle of white light. Imagine this fully.

Then imagine the triangle spinning clockwise.

Imagine a ball of white light in the Heart Chakra. When this is clear in your head,

Send a beam of green light from the Heart Chakra into the spinning triangle.

As the green light enters the triangle, it will change its shape, becoming a cube (still spinning clockwise). Imagine this change fully.

Fill the cube with green light from your Heart Chakra.

Once the cube is full of green light the flow will reverse, and green light will flow back to your heart. Let the green light fill your heart, your chest, your whole body, as well as the crystal you hold. Let the crystal fill with this light.

Put the crystal in the hole and cover it with earth.

Place both hands directly over the now-covered hole and focus white light down into the earth and the buried crystal. Now charge the crystal to link into the Crystal Web.

This may be spoken aloud or done silently.

"O crystal, I charge you to link into the Crystal Web, becoming one with its energies. Through you I gain access to the Web, which links my Correllian family."

Imagine a beam of white light coming from the crystal and shooting off in one or another direction, underground – this is the crystal linking into the Web.

To use this crystal in the future, follow these steps:

Imagine the buried crystal within a cube of white light. Imagine the cube spinning clockwise.

Focus a beam of energy from your heart into the cube, and imagine it changing into a triangle, still spinning; the crystal will then be open and may be interacted with. When finished,

allow the image to fade. This can be done from a distance; you do not need to actually be at the site where the crystal is buried.

You have now created a Crystal Access Point!
